

C ramique Side

Designed by Ronan Bouroullec, 2023

LED retrofit - 8W

The «C ramique» lamp collection was designed by Ronan Bouroullec for Flos. This lamp is the pure expression of a material, a union of the hands of a designer that can create visual poetry and the «savoir-fair» of a company that can translate it into an object. The lamp's iconic ceramic body features a lead- free lacquered crystalline finish that complements its handcrafted surface. White diffuser made of polycarbonate. C ramique combines elegance and craftsmanship with versatile lighting. With a durable design and attention to detail, this collection enhances the beauty of ceramics and promotes energy efficiency. Available colors: Moss Green, Navy Blue and Rust Red.
