Maap W2

Designed by Erwan Bouroullec, 2026

LED retrofit - 8 x 160W

Wall lamp emitting diffused light. LED sources mounted on an iron support fixed to a round iron back plate. Lamp body in ultra-lightweight tear-resistant fibre material. Casing magnetically secured to the metal frame using large magnetic buttons. Designed to be manually crumpled to create its final form.

Maap by Erwan Bouroullec brings together three recurring themes in his work: geometry, natural structures and lightness. Conceived as an expansive surface of illumination, its ultralight, paper-like membrane must be crumpled during installation, confronting precise geometry with unpredictability and forming a luminous landscape that can be endlessly reshaped. Resembling a cloud of organic light, Maap diffuses a soft, immersive glow over a broad area with a design that is both radically simple and inherently complex.

Main specifications

| | |
|------------------------|---------------------|
| EAN | 8059607079577 |
| Mounting | Wall, Floor |
| Environments | Indoor dry location |
| Light source type | Bulb |
| Light sources included | No |
| Lamp category | LED retrofit |
| Lamp holders | E27 |
| Number of lamps | 8 |
| Power (W) | 160 |
| System power (W) | 160 |

Physical

| | |
|---------------------|------|
| Length (mm) | 2400 |
| Net weight (kg) | 7.15 |
| Package volume (m3) | 0.14 |
| IP internal | 20 |

Photometric

| | |
|--------------------|------------|
| Lighting type | Total |
| Light distribution | Asymmetric |
| Extreme cut off | No |

Electrical

| | |
|--------------------|--|
| Insulation class | II |
| Frequency (Hz) | 50/60 |
| Main voltage (Vac) | 220-240 |
| Dimmable | Yes |
| Dimming interface | Remote Dimmable (Dimmer Not Included) |
| Batteries inside | No |

Bulbs

NOT INCLUDED
