### Main specifications

EAN 8054793204192

### Physical

Colour Anodized Black

Net weight (kg) 0.09

Package height (mm) 87

Package width (mm) 137

Package length (mm) 142

### Photometric

Extreme cut off No

### Electrical

Emergency No

## Notes

Carefully install and maintain the fixtures to avoid damaging the coating.

For LED fixtures, most problems are tied to electrical issues related to the insulation, which may cause destructive electrical discharges.

These are frequently caused by:

- power surges from the power network where fixture is connected.
- electrostatic discharge (ESD) from the environment.

We recommend installing a power-surge protection device on the fixture to reduce the intensity of these effects and prevent irreversible damages. The specific device should be chosen based on the electrical characteristics.
